## FREE SUMMER HOLIDAY SCHEME FOR CHILDREN IN RECEIPT OF FREE SCHOOL MEALS

A scheme to provide holiday childcare, activities and food for children in Cambridgeshire is now taking bookings for the summer holidays.

Any child receiving benefits related free school meals is eligible to access free holiday provision under the Holiday Activity and Food (HAF) programme.

Funded by the Department for Education (DfE), it enables local authorities to coordinate free holiday childcare, including healthy food and enriching activities.

The programme will be delivered by approved holiday scheme providers and childminders, and co-ordinated by Cambridgeshire County Council.

Up to four weeks of activities will be offered during the school summer holidays. Each eligible child will be entitled to up to 64 hours of free holiday childcare throughout the school summer holiday period. Parents can book places directly with participating holiday schemes from Monday 7th June. More information can be found at [www.cambridgeshire.gov.uk/haf](http://www.cambridgeshire.gov.uk/haf)

As part of the HAF programme, eligible children will be able to access:

- Fun and enriching play opportunities
- At least one meal a day
- Sessions on healthy eating such as getting children involved in food preparation and cooking, growing fruit and vegetables
- Support for families with guidance on how to source, prepare and cook nutritious and low-cost food
- Information and signposting to other services and support which might be helpful.

## Fulbourn Parish Council - CHAIRMAN'S ANNUAL REPORT – July 2021

To say the last 15 months has been very different from that envisaged at the start of 2020 would be an understatement! Once Covid 19 became widespread and we entered the first lockdown in March 2020, we were unable to meet and hold public meetings. The April PC meeting was postponed while we waited to hear how we could manage to enact Council business and hold meetings and the Hub, Swifts and Pavilion were closed to the public. Emergency legislation was enacted in May 2020 to allow all Councils to hold virtual meetings for 12 months and this ended on 7 May 2021. Conducting and being part of virtual meetings was a steep learning curve for Councillors, one which we had to quickly get used to but it was never the same as holding face to face meetings. At the time of writing this report we are able to go back to holding public meetings but this may have changed by the time you read this report.

Our income suffered because the Swifts was closed and as it was unclear what other expenditure might be needed during the pandemic, Council made the decision to only provide the basic contractual services to the Parish and not spend any capital. As this coming year is also uncertain Council will adopt the same policy and remain prudent and all capital projects remain on hold.

Our grateful thanks go to all our parishioners and volunteers who put so much time and effort into supporting those who needed help in the Parish. I hope the coming year will be much healthier and happier and you all stay safe and well.

Councillor Mary Drage
